

ECZACIBAŞI BUILDING PRODUCTS ENVIRONMENTAL POLICY

As a company that is aware of its environmental and social responsibilities, our purpose is to convey a livable and clean environment to the next generations.

As we strive to achieve this purpose, we are committed to:

- Using sources efficiently,
- Preventing pollution at its source,
- Conducting our operations in a way that will minimize our negative environmental impacts, reducing our wastes, searching for re-evaluation methods and disposing of them according to legal methods if re-evaluation is not possible,
- Complying with the applicable legal and other requirements related to the environment,
- Ensuring continuous improvement of the environmental management system to increase environment performance,
- Taking necessary measures against emergency situations in the areas with process risks and be prepared to abnormal situations by continuously updating this measures,
- Enhancing the environmental awareness of our employees.

Ali AKÖZ
