## Diversity-enhancing details

The unique details on the faucets give the collection a distinguished feel. The on-off function of the classically styled control levers located on the sides, or the single control lever, located on the top, is designed to maintain its sensitivity and smooth usage for years, thanks to its easy-movement feature. The special ceramic-coated cartridge in the overall range enables a slim body design , and ensures a more durable and long-lasting life. The simple assembly apparatus makes installation quick and easy.

## Colours that add diversity to design

Origin Classic creates a classic ambiance with the variety of colours it offers; in chrome, soft copper, brushed gold and matt black, to ensure durability for years to come.
